

Thank You for Your Purchase!

Thank you for choosing our asset pack for your project – we hope it adds a unique touch to your creation!

By default, all assets are designed for the **Built-In Render Pipeline**. However, as no custom shaders have been added to them, they can be converted to **URP** and **HDRP** without having any problems.

Should you have any questions or need assistance, please don't hesitate to reach out to us at asset@lostpandagames.com

We're here to help and would love to hear from you!

Wishing you the best of luck with your project.

Sincerely,
Lost Panda Games
